

**Short Term Projects (Years 1-5)**

- 1 Electrical Design (NP)
- 2 Relocate Glide Slope and ASOS Equipment
- 3 Expand Terminal Apron - Phase I (19,000sy)
- 4 Replace/Relocate Lighted Windcone/Segmented Circle; Relocate/Refurbish Rotating Beacon; Install Emergency Generators (2) Airfield & Terminal Building; Replace Type 2 Signs; Replace 2 Supplemental Windcones; Relocate Power Poles/Equipment for New Vault; Replace MIRLs/MITLs; Contingency, RPR, Administration (NP)
- 5 Construct New North Side Access Road
- 6 Expand North Apron (48,000sy)
- 7 Implement No-Taxi Island on North Apron
- 8 ARFF Truck Rehabilitation (NP)
- 9 Drainage Plan (NP)
- 10 Taxiway Fillet Improvements
- 11 Construct T-Hangar Taxilanes - Phase I
- 12 Pavement Design (NP)
- 13 Pavement Rehabilitation
- 14 Implement Turf Runway
- 15 Construct New South Side Access Road

**Intermediate Term Projects (Years 6-10)**

- 16 Construct New ARFF Building
- 17 Construct Consolidated Fuel Farm
- 18 Relocate Taxiway A4
- 19 Upgrade Airfield Signage (NP)
- 20 Construct New Restaurant Building
- 21 Expand Terminal Apron - Phase II (2,150sy)
- 22 Acquire Property for RPZ Protection - Runway 17
- 23 Acquire Property for RPZ Protection - Runway 35
- 24 Construct Compass Calibration Pad
- 25 Construct T-Hangar Taxilanes - Phase II
- 26 Construct Box Hangar Taxilane
- 27 Pavement Maintenance Program (NP)

**Long Term Projects (Years 11-20)**

- 28 Install MALSR on Runway 35
- 29 Upgrade Runway Markings to Precision (NP)
- 30 Construct T-Hangar Taxilanes - Phase III
- 31 Construct ADG III Taxilane to Aviation Use Reserve Parcel
- 32 Pavement Maintenance Program (NP)

**LEGEND**

- Airport Property Line
- A Taxiway Designator
- Visual Runway Protection Zone (RPZ)
- 3/4-Mile RPZ
- 1/2-Mile RPZ
- 300' Compass Calibration Clearance Area
- ASOS Critical Area
- ▣ Building to be Removed
- Bastrop Bayou

**NOTES**

White shading indicates a private development project not included in the airport CIP.  
NP: Not Pictured
